- Protesting in front of Planned Parenthood with dead fetus signs
- Watching basketball
- Driving in the Carpool lane with no passengers
- Fighting the "War on Drugs"
- Fighting to legalize drugs on the premise that we need more hemp rope
- Having children that are even more annoying than you are, if that's possible
- Playing Guitar
- Staring at me from your car like you've never seen a normal human before
- Calling to switch my service to MCI
- Getting hit by trains
- Joining the Police Department
- Listening to that uppity whore Dr. Laura
- Visiting Florida
- Calling to sell me a subscription to the Mercury News
- Not fixing my God damned balcony already
- Paying Union Dues
- Sharing a 10-minute story before answering EVERY "Millionaire" question
